Benny Hinn

Your historic Holy Land tour begins with your arrival at the Ben Gurion Airport, where you will be met by a tour representative to assist you and escort you via luxury motorcoach to your first night's hotel.

During your time in Jerusalem, you will spend your days making lifelong memories as you tour the ancient city's most holy and historical sites, including these power-packed experiences:

- Enjoy the panoramic view of the Old City of Jerusalem from the Mount of Olives. Descend the Palm Sunday Road to the Garden of Gethsemane and the Church of All Nations, stand amid olive trees dating back two thousand years, and see where Jesus agonized in prayer.
- Walk the narrow streets of the Old City and down the Via Dolorosa, along with visits to the Pool of Bethesda, the Church of Santa Anna, Ecce Homo (at the Sisters of Zion), and the Church of the Holy Sepulchre (recognized as the place of Jesus' burial).
- Celebrate communion at the Garden Tomb.
- Visit the Western Wall (Prayer or Wailing Wall), the only remaining structure left from the Second Temple built over two thousand years ago.
- Enter the Upper Room at Mount Zion, where the disciple whom Jesus loved laid his head on His breast and where later Thomas cried "My Lord and My God." Experience a fresh infilling and anointing as we welcome the Holy Spirit's presence together.

On your journey through the Holy Land, you will:

- Journey to Nazareth via Cana, site of the first miracle that took place at a wedding feast (John 2:1-11). Visit the boyhood home of Jesus, famous for the annunciation by Gabriel to Mary that she would bear a child of the Holy Spirit.
- Travel through the fertile Jordan Valley to Mount Gilboa, the location of King Saul's tragic end (1 Samuel 31). The Spring of Herod at the foot of Gilboa is the historic location where Gideon separated his men by having them drink water.
- Visit Yad Hashmona, a Christian village atop the Jerusalem Hills, and visit the Biblical Garden. Learn how the ancient Israelites produced their wine, view the threshing floor, wine press, olive press, and sheepfold. Break bread with the local settlers and listen to one of them tell the story of Yad Hashmona.
- Enjoy a wonderful drive to the Dead Sea and experience a float in the therapeutic waters. Visit Qumran, the place of the Dead Sea Scroll discovery.

From Galilee, you will travel throughout the northern area of Israel and share many wonderful experiences with your fellow tour members:

- Begin your first full day around the Sea of Galilee, touring the area where Jesus spent the majority of His life and ministry. We will visit Capernaum where most of Jesus' ministry took place, then visit Peter's house and the remains of the local synagogue.
- Visit Tabgha where Jesus multiplied the loaves and fish and appeared to the disciples after the resurrection, calling them to shore for a breakfast of fish.
- Enjoy an inspiring boat ride on the Sea of Galilee and a very special St. Peter's fish lunch.
- Participate in a Jordan River baptismal service with Pastor Benny Hinn.
- Continue to Kursi, situated on the eastern shore of the Sea of Galilee. View the mosaic floor with a recently uncovered Greek inscription that proclaims it as the site where Jesus Christ healed a man possessed by demons (Mark 5:1-20).
- Feel God's presence in a powerful service on the shores of Galilee.
- Depart from Tiberias and the Galilean hills to go up to Jerusalem. Our travels will include several stops, including one of the largest archaeological sites in Israel, the ancient city of Beit She'an.

During this life-changing journey you will explore a wide variety of memorable sights:

- View Mount Carmel, where Elijah contested the Baal prophets.
- Travel to Bethlehem and the place of Jesus' birth, where we will visit the Church of the Nativity, Shepherd's Fields, and a Christian-operated olive wood factory and shop.
- Walk on the Road to Emmaus, where Jesus appeared to two disciples after His resurrection.
- Visit Jaffa (Joppa), Pastor Benny Hinn's hometown. See the house of Simon the Tanner, where Peter had the life-changing vision (Acts 9:43). View the ancient port used by King Solomon to import cedar tree logs to build God's Temple in Jerusalem. Visit also the site where Jonah boarded the ship before he was swallowed by the whale.
