Dear Partner,

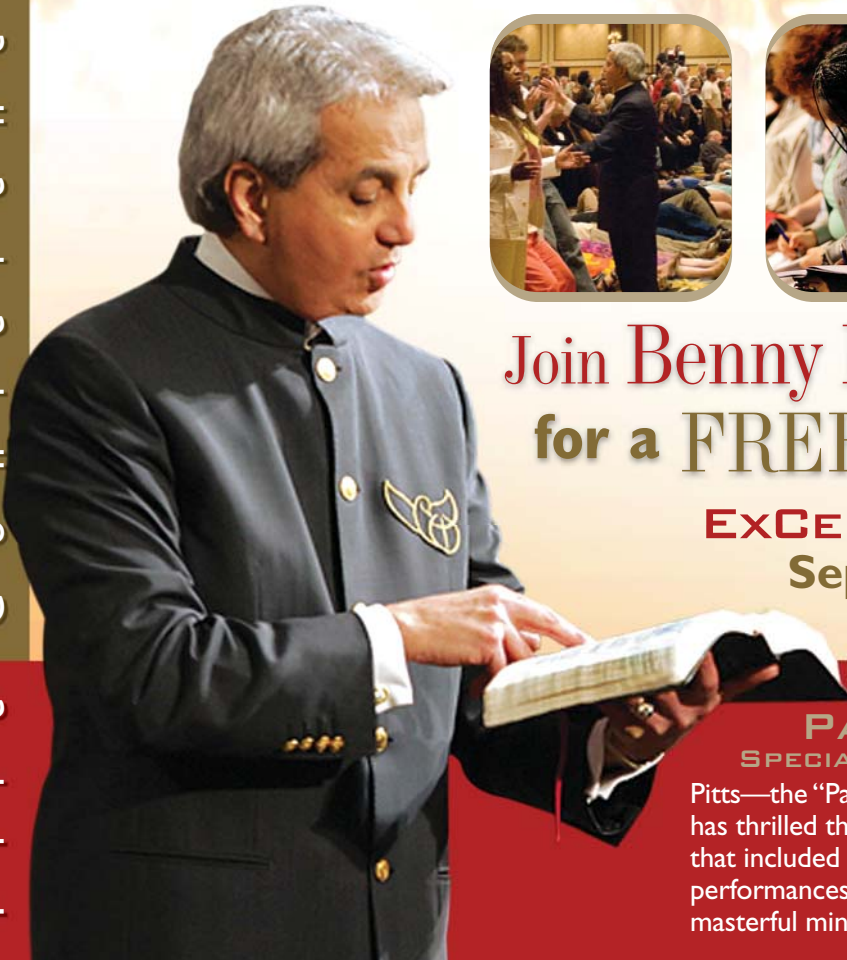

The fire of God has fallen mightily during all of our recent Fire Conferences. It happened suddenly and gloriously. There is truly a new and fresh anointing descending! I'm writing you today to make sure you will not miss the upcoming Fire Conference at the ExCeL London and because the Lord is moving so mightily in these conferences, I have canceled the registration fee so you might be able to attend. Whatever you do, do not miss this God event! It is awesome, real, and genuine, and I know deep within my being the glory and fire of God will fall mightily in London!

This is going to be different from anything you have ever attended in our meetings. Come expecting to be empowered with the Holy Spirit's power. You are going to be refilled and anointed afresh for living an awesome and powerful Christian life in these last days. I urge you to come for your destiny's sake. I know the Lord is going to meet you during this great Fire Conference.

I'm looking forward to seeing you for a divine appointment with God!
